

Founded in 1983, we are a non-profit making organization that provides intensive and well-rounded multi-disciplinary early intervention and therapy services to pre-school children with special education needs aging between 0 to 6 years old. Our commitment is to help them to achieve their full potential at the earliest possible age.

We welcome passionate individuals in joining Watchdog family to be one of us!

Watchdog Early Education Centre

Music Therapist (Freelance)

Major Responsibilities

- Plan, develop, and implement music therapy group sessions for pre-school children with SEN, as an intervention to support their communication, emotional regulation, sensory integration, and social interaction
- Assess children's needs and tailor therapeutic goals and strategies to address diverse learning needs and abilities
- Maintain accurate records of sessions, progress notes, and developmental observations
- Provide guidance and practical strategies to educators and parents on integrating music activities into daily routine
- Ensure a safe, engaging, and inclusive therapeutic environment

Requirements

- Bachelor's or Master's degree in Music Therapy, with a recognized certification or registration as a Music Therapist
- Minimum 2 years' relevant experience, working preferably in a pre-school or SEN settings
- Strong understanding of child development and therapeutic techniques
- Ability to design engaging, age-appropriate music-based interventions
- Creative, patient, and adaptable approach to therapy
- Sensitive to cultural diversity and inclusive practices
- Available to work on a part-time/flexible freelance basis
