MUSIC THERAPY & SOCIAL SKILLS TRAINING GROUP

This Music Therapy & Social Skills Training Group is a music programme which develops your child's potential to the fullest. The children will participate in the Group with fun and joy while they are learning social and communication skills for their development. Moreover, various social skills will be introduced to the children through the use of music.

Objectives

Through the Music Therapy & Social Skills Training Group, the programme aims to:

- ✧ Draw children's attention and prolong their concentration span.
- ✧ Be aware of self and others through musical interactions.
- ✧ Uplift their self-identity and self-esteem.
- ✧ Develop self-respect and to others.
- ✧ Learn essential social and communications, e.g. greetings, turn taking, verbal cues, and so on.
- ✧ Encourage social interaction and cooperation amongst participants.

Instructor

Registered Music Therapist (Australia) specialized in early childhood music education and for primary students.
