Dear Parents,

As the recent wave of the Covid-19 continues to escalate and there are growing clusters of Covid-19 Omicron cases, in order to ensure the safety of our students and staffs at our Centre, we would like to ask that parents, caregivers, and students for the followings:

1. Please notify us :

- if the residential building you reside in has confirmed Covid-19 cases and you or your family members are required to take the COVID-19 test.
- if the kindergarten your child is attending requires your child to take the COVID-19 test as the kindergarten has confirmed COVID-19 cases.
- if the government has identified the places you or your child's caregiver has been to as "high-risk" premises (restaurants, office buildings, shopping malls etc.) and requires you/your child to undergo mandatory Covid-19 test.

Please send us the negative test result prior to resuming the training sessions at Watchdog Centres.

2. Please scan the LeaveHomeSafe venue QR code using the mobile app before entering our centre.

As the government has expanded the use of the LeaveHomeSafe mobile app to all premises regulated under the Prevention & Control of Disease Regulation from December 9th, 2021, please ensure you and your child's caregivers scan the LeaveHomeSafe venue QR code as you enter our Centres.

3. Please fill out an updated "Health Declaration" form when you arrive at our centre. This form will include declaring if your residential building has any confirmed Covid-19 cases within the past 14 days.

Apart from the above, as a gentle reminder, if your child is feeling sick and/or having symptoms of flu, cold, cough and related symptoms, please keep him/her at home and consult a doctor immediately.
